OASIS PWSMSBF AQUA POINTE SURFACE MOUNT BOTTLE FILLER

Culligan®

The Oasis PWSMSBF Bottle Filler is a robust and reliable mounted and non-refrigerated bottle filler.

You can refill your bottles safely and hygienically with a sustainable and convenient bottle filler. The robust design fits into a range of indoor and outdoor environments.

This bottle filler is non-refrigerated, so not only does it environmentally friendly by reducing plastic waste, it reduces energy used as well as costs.
