

# Wall Mounted Contactless Chilled Bottle Refill Station

Sleek, contemporary design with contactless operation,  
perfect for high traffic areas.

- Perfect, long-lasting replacement for older drinking fountains
- Freshield® Antimicrobial Treatment
- Integrated digital bottle counter tracks your single-use plastic waste savings.

## Product features and benefits

### Upgrade your drinking water facilities

Uses the same rough-in opening, piping and electrical system already in place for your existing fountain, making this retrofit quick and easy.

### Hygienic unit for busy environments

Freshshield® protection utilises a silver-based antimicrobial compound ensures perfect hygiene, combating bacteria, fungus, and odours.

The built-in 100 micron strainer prevents any particles from contaminating the water before it enters the waterway, ensuring that users are provided with the purest water they can receive.

The stainless steel finish ensures that cleaning this unit is easy.

FLOW RATE

### Track your climate positive progress

The integrated, digital bottle counter conveniently displays the number of times the unit has been used, encouraging the refill of sports bottles.

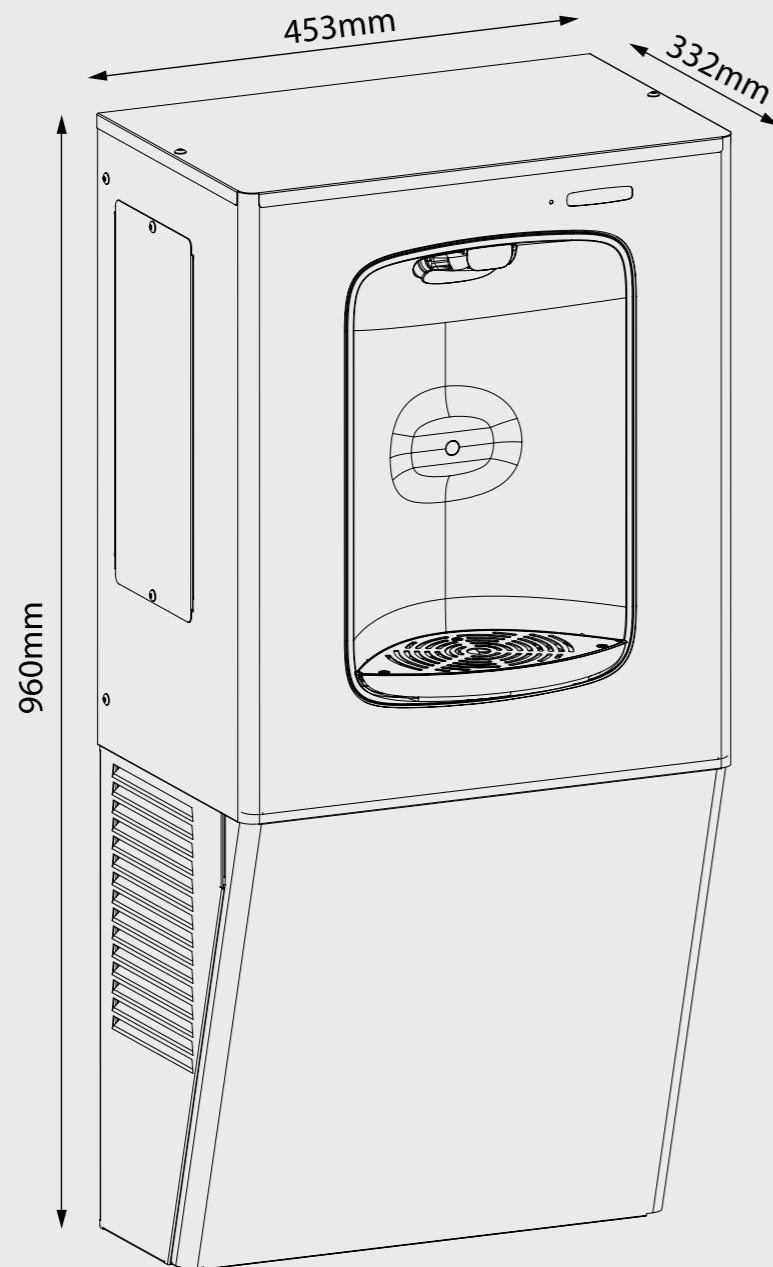

This is the perfect solution for tracking your single-use plastic waste savings and promote positive environmental impact to users.

The built-in 100 micron strainer ensures that users are provided with the purest water they can receive.

## Technical specifications

## Specifications

<b>Model</b>	PN8EBFY
<b>Filtration</b>	Option to add a filter
<b>H x W x D (mm)</b>	960 x 453 x 332
<b>Dispensing area height (mm)</b>	330
<b>Weight</b>	25.4 Kg
<b>Chilled water production</b>	60 LPH
<b>Construction</b>	Heavy duty galvanised steel
<b>Exterior finish</b>	Antimicrobial ABS plastic; brushed stainless steel
<b>Features</b>	Contactless activation with shut off timer
<b>Certification</b>	ADA

## Installation requirements

<b>Power supply</b>	220-240V, 50/60 Hz
<b>Water supply</b>	Minimum 2.5 Bar
<b>Mains waste</b>	Requires mains waste
<b>Ventilation</b>	Integrated side vents
